- Generative AI disrupted traditional financial education ("Fin Edu"):
 AI disrupted traditional Fin Edu models as consumers shifted towards AI-based, personalized learning, challenging conventional approaches.
- Changing Customer Behavior:
 Rising demand for free, instant, tailored content reshaped customer expectations on financial education.
- Increased Marketing Costs:
 Competition and digital-first strategies led to unsustainable higher marketing cost.

FY2024 Financial Summary

Income Statement	FY2024	FY2023
Revenue	S\$10,550,386	S\$16,300,405
Net loss	(S\$480,133)	(S\$11,179,088)

- Revenue declined by S\$5.8m primarily due to prevailing market conditions in the Fin Edu sector, leading to a focus on fulfilling contract obligations.
- Net loss reduced by S\$10.7m through aggressive cost-cutting measures.
- By the end of FY2024, the Group temporarily suspended the sale of its financial investing programs and refocus towards its Preventive Health business to drive its future growth opportunities.

FY2024 Financial Summary

Financial Position	FY2024	FY2023
